

PRODUCTION VEHICLES / UNIT FLEET

Unit Vehicles

Support vans and unit trucks for crew, gear and location transfers across Sydney and SEQ.

Capacities & dimensions

Fleet	Crew vans, cast SUVs, gear trucks, tail-lift trucks
Crew vans	Up to 11 seats, luggage capacity, tinted
Cast vehicles	Executive SUV / sedan with driver
Gear trucks	4 t – 8 t tail-lift, strapped and shelved
Payload	Up to 3.5 t on 8 t configuration
Load area	5.5 m L × 2.3 m W × 2.2 m H (8 t truck)
Coverage	Metro Sydney, SEQ + regional runs on request
Availability	Single-day, multi-day and tour-length blocks

Included as standard

- CATO driver for every vehicle — no self-drive
- Fuel for the run, tolls and airport permits where applicable
- Load restraint kit, trolleys and department-kit shelving
- Traffic-managed handoffs where combined with our TM crew

Delivery & setup

- Continuous location moves scheduled with dedicated dispatch
- Overnight vehicle standby and driver hours quoted per shift
- Regional / interstate travel confirmed at booking
- Combine with traffic management for closed-set runs

Notes

Chain-of-responsibility compliant, all drivers licensed and inducted. COI available on request.
