

PRODUCTION VEHICLES / HONEYWAGON

Honeywagon

Australia's original make-up and dressing room truck — self-contained, mains or generator, delivered with a CATO driver.

Capacities & dimensions

Configuration	Multi-room trailer — up to 6 private rooms
Overall length	12.5 m (tractor + trailer)
Trailer footprint	10.4 m L × 2.5 m W × 3.9 m H
Interior height	2.1 m
Rooms	Up to 4 dressing rooms + 2 make-up positions
Amenities	Vanity mirrors, wardrobe, ensuite bathroom, HVAC
Power	240 V mains hook-up or onboard generator
Water	Fresh + grey water tanks, external services
Occupancy	8–12 talent + department crew

Included as standard

- CATO driver — delivery, positioning and collection
- Heating, air-conditioning and interior lighting
- Mains lead-in kit or onboard generator (fuel included on run)
- Fresh/grey water and waste servicing for the shoot day
- Steps, awning and safety cones for talent access

Delivery & setup

- Access requirements: 15 m clear reversing corridor, 4 m headroom
- Ground: firm level surface (bog mats supplied on request)
- Lead time: 48 hours preferred for metro Sydney / SEQ
- Continuity moves and multi-location days quoted per run

Notes

Rates include driver, fuel to and from base, positioning and demobilisation. Extended standby, overnight crew, additional attendants and interstate travel are quoted as line items.
